

LEARNING = FUN

WHO WE ARE

VISION

To make learning fun for children

MISSION

To create an atmosphere where children think, imagine, discover and learn through a variety of new generation art practices.

WHAT WE DO

We offer clay modeling and creative arts programs and sessions for children from 3 – 14 years old. These program are well-developed arts practices that encompassed by learning techniques which help children to improve their recognition and perception of colors and ability to understand amounts and proportions. Also, our arts practices help improve children's creativity, innovation and higher order thinking skills which include analysis, synthesis, evaluation and problem-solving and more.

Artzania has more than 14,000 registered customers, and currently providing school activities for many prestigious schools such as BSB, St. Christopher, French School, Riffa views School, AMA, and a lot more.
